Recovery Plan

State and Local Fiscal Recovery Funds

2021 Report

Note: The Recovery Plan Performance Report will provide the public and Treasury information on the projects that recipients are undertaking with program funding and how they are planning to ensure program outcomes are achieved in an effective, efficient, and equitable manner. While this template includes the minimum requirements for the Recovery Plan, each recipient is encouraged to add information to the plan that they feel is appropriate to provide information to their constituents on efforts they are taking to respond to the pandemic and promote an equitable economic recovery.

Each jurisdiction may determine the general form and content of the Recovery Plan, as long as it meets the reporting requirements, and recipients are encouraged to tailor this template to best meet their needs. Use of infographics, tables, charts, pictures, case studies, and other explanatory elements are encouraged.

Notes on using this template

All States and territories, and metropolitan cities and counties with a population that exceeds 250,000 residents that are recipients of State and Local Fiscal Recovery Funds (SLFRF) awards are required to produce a Recovery Plan Performance Report (the “Recovery Plan”). The Recovery Plan provides information on the recipient’s projects and how they plan to ensure program outcomes are achieved in an effective and equitable manner. It will include key performance indicators identified by the recipient and some mandatory indicators identified by Treasury. Each annual Recovery Plan must be posted on the public-facing website of the recipient by or on the same date that the recipient submits the report to Treasury.

The initial Recovery Plan will cover the period from the date of award to July 31, 2021 and must be submitted to Treasury by August 31, 2021. Thereafter, the Recovery Plan will cover a 12-month period and recipients will be required to submit the report to Treasury within 30 days after the end of the 12-month period (by July 31).
